

## Capital Dynamics Appoints Mukul Sharma as Chief Financial Officer

**London, 8 May 2025** – Capital Dynamics, an independent global asset manager, is pleased to announce the appointment of Mukul Sharma as Chief Financial Officer (CFO). Based in London, Mukul will lead the Firm's global finance, and accounting functions, working closely with the executive leadership team to support Capital Dynamics' continued growth and long-term strategic vision.

Mukul brings over two decades of financial leadership experience, with a proven track record in financial strategy, operational management, and business transformation. He joins from investment firm Triton, where he served as Group Finance Director and prior to this, Mukul held several senior roles at GE Capital.

Mukul holds a Bachelor of Science in Commerce from Delhi University and is both a Chartered Accountant (Institute of Chartered Accountants of India) and a Management Accountant (Institute of Cost and Works Accountants of India).

"Mukul's appointment comes at an exciting time for Capital Dynamics, as we continue to scale our platform and expand the reach of our core strategies – Private Equity and Clean Energy," said Martin Hahn, Chief Executive Officer of Capital Dynamics. "Our global footprint, entrepreneurial culture, and long-term investment vision are driving significant momentum across the business. Mukul's experience and leadership in financial strategy will be instrumental in supporting our next phase of growth, enhancing our operational excellence, and helping us capture the many opportunities ahead."

"I am delighted to join Capital Dynamics at such a pivotal moment in its evolution. The Firm's entrepreneurial culture, global presence, and long-term approach to value creation truly resonate with me. I look forward to working closely with the talented team across the organization to support Capital Dynamics' strategic objectives and its continued growth and financial strength.", commented Mukul Sharma.

### About Capital Dynamics

Capital Dynamics is an independent global asset management firm focusing on private assets, including private equity (primaries, secondaries and direct investments) and clean energy.

Established in 1988, the Firm has extensive knowledge and experience developing solutions tailored to meet the exacting needs of a diverse and global client base of institutional and private wealth investors. Capital Dynamics oversees more than USD 15 billion in assets under management and advisement<sup>1</sup>, and employs approximately 150 professionals globally across 13 offices in Europe, North America, and Asia.

---

<sup>1</sup>As of December 30, 2024. Assets under Management are calculated based on the total commitments as of the final closing date for all funds currently managed by Capital Dynamics, including amounts that have been distributed. Assets under Advisement includes assets for which Capital Dynamics provides services such as reporting, monitoring and risk management.

Capital Dynamics is a recognized industry leader in responsible investment, receiving top marks (Five Stars) from PRI across all categories and investment strategies, as well as in GRESB benchmarking for its clean energy strategy.
