

Capital Dynamics Appoints Susan Giacin to Global Head of Sales

Former Head of Sales for the Americas expands her role and joins the firm's Executive Committee to drive global growth

New York, 28 April 2025 – Capital Dynamics, an independent global asset manager, is pleased to announce the appointment of Susan Giacin, Senior Managing Director and Head of Americas Sales, as Global Head of Sales. In her new role, she will lead the firm's global fundraising efforts and drive growth across Capital Dynamics' full suite of investment strategies, including Private Equity and Clean Energy. In addition, Susan will also join the firm's Executive Committee, contributing to the strategic direction of the firm. Susan reports into Martin Hahn, Chief Executive Officer and President of the Executive Committee.

Based in New York, Susan brings over 25 years of experience in originating, developing and marketing investment solutions to institutional and wealth management clients. Since joining Capital Dynamics in 2017, she has been instrumental in expanding the firm's U.S. investor base, strengthening client partnerships, and is recognized as an industry leader in creating accessible private market investment solutions.

"This appointment recognizes Susan's outstanding leadership and the impact she has made at the firm," said Martin Hahn, Chief Executive Officer of Capital Dynamics. "Her success in the U.S. market has been a key contributor to our firm's expansion, and we are confident that in this new role she will help to further propel Capital Dynamics' investment solutions on the global stage. With her deep market knowledge, client-centric mindset and collaboration across our globally integrated team, she will add significant value across our already successful international fundraising team."

"I am thrilled to step into this role," said Susan Giacin. "Capital Dynamics has a long-standing reputation for delivering innovative, high-quality solutions to investors. As we ramp up our fundraising efforts on a global scale, I look forward to working with my colleagues to further strengthen our relationships with existing and new LPs and support our clients' evolving needs in this fast-moving investment landscape."

ENDS

About Capital Dynamics

Capital Dynamics is an independent global asset management firm focusing on private assets, including private equity (primaries, secondaries and direct investments) and clean energy.

Established in 1988, the Firm has extensive knowledge and experience developing solutions tailored to meet the exacting needs of a diverse and global client base of institutional and private wealth investors. Capital Dynamics

oversees more than USD 15 billion in assets under management and advisement¹, and employs approximately 150 professionals globally across 13 offices in Europe, North America, and Asia.

Capital Dynamics is a recognized industry leader in responsible investment, receiving top marks (Five Stars) from PRI across all categories and investment strategies, as well as in GRESB benchmarking for its clean energy strategy.
