

Capital Dynamics Private Credit Announces Investment in Teckrez

New York, December 2023 - Capital Dynamics Private Credit is pleased to announce that it recently acted as **Lead Arranger** for a **Senior Secured Credit Facility** to support **Hidden Harbor Capital Partners'** strategic investment in **Teckrez**. Teckrez is a provider of high-quality tackifier resin and acrylic monomer solutions, providing market expertise, logistics support, proprietary formulations, and packaging capabilities enabling quality and security of supply to its customers.

	
TRANSACTION TYPE:	Strategic Investment
SPONSOR:	Hidden Harbor Capital Partners
FACILITY:	Senior Secured Credit Facility

Capital Dynamics has been investing in middle and lower middle market private assets for over 30 years. The Private Credit group within Capital Dynamics provides tailored, one-stop financing solutions to private equity-backed lower middle market companies, focusing on financings that support leveraged buyouts, acquisitions, business expansions, re-financings, and short-to-medium term liquidity needs. Capital Dynamics Private Credit offers directly originated, senior secured loans, including first lien, unitranche, and second lien, as well as other flexible capital solutions.

Comprised of over ten investment and platform professionals based in New York, London, and Zug, Capital Dynamics Private Credit draws upon its vast experience investing across the capital structure and in a wide array of industries to deliver flexible, value-added solutions customized to fit the unique needs of each borrower.
