

## Capital Dynamics Wins Double at Power Finance & Risk's 15th Annual Deals & Firms of the Year Awards

*Global asset manager recognized with two awards from a prominent awarding body*

**NEW YORK – June 12, 2018:** Capital Dynamics, an independent global asset manager, today announced that its Clean Energy Infrastructure (CEI) team recently received two accolades as part of the Power Finance & Risk's 15th Annual Deals & Firms of the Year Awards: "Private Equity Sponsor of the Year" and "Best Buyer of Power Assets in 2017."

"We are honored to receive these awards and are delighted that our work continues to receive recognition throughout the industry," said John Breckenridge, Head of the Capital Dynamics Clean Energy Infrastructure business. "Since 2010, the Clean Energy Infrastructure team has been committed to acquiring and financing high quality power generation assets in North America and Europe."

The Capital Dynamics Clean Energy Infrastructure team invested in 1.1 GW of solar projects in 2017, including three of the biggest solar projects in the US:<sup>1</sup> the acquisition and financing of the 345 megawatt Moapa Southern Paiute Solar Project in Nevada and the 387 megawatt California Flats Solar Project in Monterey County and the 328 megawatt Mount Signal III Solar Project, both in California.

Capital Dynamics is one of the largest specialized renewable energy investment managers in the world, with USD 3.6 billion in assets and 3.0 GW<sup>2</sup> of net generation capacity.

The firm was founded in 1999 and is headquartered in Zug, Switzerland. However, our history dates back to 1988 when the predecessor of Capital Dynamics commenced operations in Birmingham, UK (Westport Private Equity).

Over the past eight years, Capital Dynamics has expanded beyond private equity offerings. The firm established a clean energy infrastructure platform in 2010, for direct investments in real assets within the renewable energy sector. In 2017, a private credit asset business was launched that will leverage the firm's extensive general partner relationship network to originate and invest in private credit transactions for middle-market companies owned by private equity sponsors. In 2018, the company expanded its energy infrastructure business to include energy infrastructure credit.

The investment management teams' Managing Directors and Directors average over 20 years of investing experience. We believe our experience and culture of innovation give us superior insight and help us deliver returns for our clients. We invest locally while operating globally from our New York, London, Zug, Tokyo, Hong Kong, San Francisco, Munich, Birmingham and Seoul offices.
